CROSSVIEW CHURCH ANNOUNCEMENTS

Pray those who know the pain of divorce would know that God's love and faithfulness to them remains the same. Pray for growth in their identity in Christ during this time and to be able to bring their many emotions to God for healing. Pray for God's strength to forgive and to resist letting bitterness grow. Pray for those with children to be able to help them work through their many emotions and pain.

MARCH FOOD DRIVE for Network of Nations Intercultural Market! Collection starts immediately. This market will take the place of the Café. It is an open pantry, more to the dietary needs of the students. Specific food items are needed for the Market and you may donate these in the designated bin in the church lobby or by dropping them off every Friday night in March between 5-6 pm at Immanuel Lutheran Church, Russell Road, DeKalb. Click here for those specific foods: [Food List](#). There are also opportunities to volunteer at the market: carry in food from curbside donations, set up the Market or help those shopping at the Market. Click here to volunteer: <https://www.signupgenius.com/go/8050c4ea9ae2fa3ff2-intercultural>. If you aren't able to shop or volunteer but would like to support Network of Nations and the International Students at NIU, please go networkofnations.org and click the Donate button in the upper right corner. Thank you for all your help!

Great news! We have so many families returning to church on Sunday that we are needing to re-open our check-in system! Before you place your child in any of our children's ministries, please check them in. We are also opening up a combined nursery during the 11:00 service on the 1st and 3rd Sunday's of March! We will check your child's temp before entering and are asking our volunteers to mask. Some of our volunteers have had Covid-19 already, some have been vaccinated, but we cannot guarantee this for all of our volunteers. We will also try to keep kids socially distanced from each other, but that can prove to be harder in the nursery setting. We will also be regularly cleaning all toys in the nursery. If this is something that you feel could benefit your family, we would love to have you! *Children's Ministry Director, Sarah Cantrell*

Salvation Army Needs Help: They are in need of more food and non perishable items. The format has changed because of COVID. Some people came once a month, but now can come anytime - a lot coming every week. Specific items needed: paper towels; toilet paper; Kleenex; non perishable can goods; canned tuna fish; macaroni and cheese; pancake mix and syrup. If the church is open you can drop off donations there, otherwise you can take them directly to the Salvation Army, 830 Grove Street, DeKalb. There is also a need for volunteers to get items packed and ready for people to pick up. Go to their website for more information: <https://centralusa.salvationarmy.org/dekalb/> or call, 815.756.4308. Thank you!

Offering plates will not be passed during worship services, due to Covid-19. A lockbox has been installed on the wall between the main doors in the Sanctuary for you to place your offerings & tithes, when services are held indoors. Thank you for your continued generous giving! For the current times, we are encouraging you to give through checks or online giving, in preference to cash.

Finance: Please remember the unemployed during these troubled times and include your donations to the Benevolence Fund on your checks or online giving. Thank you! Electronic donations - Crossview will give you a charitable donation statement at the end of the year for all you have given. To setup EFT's (electronic fund transfers) contact Mary Campbell, Financial Secretary: 307.760.9810. Want to use a credit card - give online through our secure website: <https://www.crossviewefca.com/give/>.

WELCOME
